

CLIMATE PROTECT CERTIFICATE

Active for climate protection!

The

Baosteel Lasertechnik GmbH

is supplied

with 100 percent renewable energy.

The purchase of twsÖkostrom contributes substantially to climate protection. Baosteel Lasertechnik GmbH achieves an annual reduction of 24 grams of nuclear waste and 45,24 tons of CO₂. The CO₂-saving equals the amount a forest of 3,48 ha is able to accumulate.

Ravensburg, Dezember 2023

Dr. Andreas Thiel-Böhm

Geschäftsführer

Technische Werke Schussental GmbH & Co. KG
